

Inverloch / Kongwak Primary School

Parent Payment Charges 2016 Year Prep – Grade 6

Dear Parents,

Inverloch and Kongwak Primary Schools receive strong support from families through the payment of essential education items charges. This financial support enables our school to provide a wide range of curriculum programs that would otherwise not be possible given the school's limited financial resources. In order to offer great educational experiences for students, the School Council has decided on the parent payment charge for 2016 as set out on the payment schedule listed below. The parent payment charge pays for essential educational items which supplement our education program, but are not totally funded through Department of Education and Training.

Inverloch and Kongwak Primary School makes every effort to keep the cost and number of items which need to be purchased to a minimum. We also try to ensure that the costs are affordable for all parents.

The school appreciates that families may sometimes experience financial difficulties in meeting payment requests. A range of support options are available to parents:

Schoolkids Bonus: <http://www.humanservices.gov.au/customer/services/schoolkids-bonus>

The schoolkids bonus will be paid automatically to eligible families between 5th and 19th January 2016. If eligible and receive fortnightly payments you will receive a Schoolkids bonus instalment of \$215 for each child who is a primary student. For more information see the website above.

Camp, Sports and Excursion Fund: <http://www.education.vic.gov.au/csef>

Families who do not have immediate capacity to pay are also able to enter into alternative and confidential payment arrangements with the school. Should you require financial assistance please contact the Principal Wendy Caple or Business Manager Deb Miller at the office.

Please note that additional school charges may arise during the year. It is expected that there will be excursions and activities, camps and swimming program, and will operate on a user pays basis. Information and costs regarding these will be distributed during the year.

Yours sincerely,

Wendy Caple
Principal
