The children in Grade 5 & 6 will be attending Mates Day at the Wonthaggi Secondary College on 22nd June. Children will need to be dropped off at Inverloch PS and collected again from Inverloch at normal school times. They will catch the bus to Wonthaggi from there with the Inverloch children.

#### DENTAL SCREENING PROGRAM

This Wednesday our Grade Prep, 1 & 2 children will be visited by staff from Bass Coast Health.

#### WHOLE SCHOOL PHOTOS

If you would like to order a whole school photo from Foons please let Janelle know and she can organise it for you. They are \$18 each.

#### LIGHTNING PREMIERSHIP

Next Friday Luke Sexton will be representing our school at the Lightning Premiership in Leongatha.

#### STATE TENNIS

Good luck to Alexis Van Oss who will be competing in the State Tennis Championships next Friday.

#### GRANDPARENTS DAY

Grandparents Day will be held this coming Monday 28th May from 10.40am until approximately midday. Grandparents and special friends are welcome to join us for morning tea, followed by activities in the classrooms. We would appreciate each family providing a plate of morning tea to share for the occasion. Also, if you are available to assist with serving of the morning tea, please let Deanne or Karen know.

The children in the senior room have been learning about how things have changed over time. If any of our grandparents or special friends have an artefact that they could bring along to share with us that would be great. Some examples of this may be: an old set of scales, an old radio (or wireless as many grandparents call them!), money, an old phone etc.

#### CAPITAL WORKS PROGRAM

Last night we had the community consultation phase of the Capital Works Program. Firstly we had staff, students and parents compile a list of what makes Kongwak PS a great learning place. We then compiled a list of projects that would make your school an even better place to learn, play and be proud of. Some high priority items such as spouting, roofing and windows were identified plus several others projects that hopefully can fit within the funding or as longer term projects or working bees tasks. Hopefully we can fund some changes to freshen up the exterior appearance of the school. Big thanks to Josh who presented the student's wish list they compiled in class. (Sorry, no swimming pool this time)

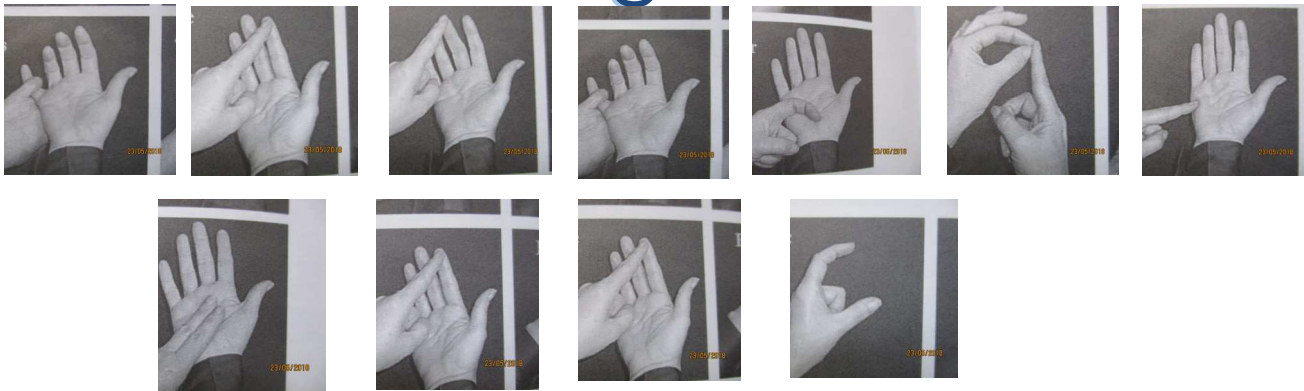

This week we all enjoyed yummy cupcakes to celebrate Grace's 11th Birthday and Luke's 12th Birthday

Happy Birthday

Our Auslan sign for this week...
