We Value:

Kids

To ensure students are:

- engaged in their learning,
- able to build effective relationships and
- connected to school
- eSmart by being smart, safe and responsible with digital technology

Curriculum

To ensure that all students are
given the opportunity to be
successful at their optimal level
and that they maintain consistent
positive academic growth through
their years at Inverloch/Kongwak
Primary Schools.

Community

To develop links with our community to
enable students to become engaged in
“real-life” learning opportunities.
To develop a connectedness with our
local community and environment.
To ensure that our community has an
understanding of what happens within
our school so that they can support our
School, our students, and our
programs.
