## PRINCIPAL'S MESSAGE

As we bid farewell, au revoir, sayonara, adios and hasta la vista to Term 2, we would also like to bid a fond farewell to Ms Gab Patterson who is leaving our school to pursue other career opportunities. We thank Gab for the care and education she has provided so many students at both Inverloch and Kongwak Primary Schools. Next term sees the welcome return of Mrs Kate Eldred from family leave. Kate will be co teaching 3/4P with Mrs Renden.

In last week's virtual assembly, I asked the students to initiate greetings to adults they encounter at school. After being away ill for three days and with no follow up, my day was instantly brightened by a hearty hello from Lucas in the foyer followed many, many hellos as students arrived and entered school. Such a simple gesture has raised our spirits, shown our students how to connect with others and how to start the day off positively feeling like they, and others belong.

## Recreation Reserve-Netball courts

Our school has a great partnership with the Inverloch Recreation Reserve and we really value (and need) this community resource for many school events and everyday parking. We ask the community to be respectful of this partnership in the following way:

- ✓ Reinforce children not riding bikes, skateboards or scooters on the new netball courts which have already been damaged by such use
- ✓ Not let children jump on and destroy the new native plants they have planted
- ✓ Park and drive carefully in a clockwise direction

## Thank you

As the Term 2 comes to a close, I would like to genuinely thank the staff for 'adjusting the sails' and continue to provide education to our students during one of the most challenging times in education's history. Their adaptability, resilience, persistence, tolerance, problem solving and willingness has been commendable and know we can journey forward through future 'unknown waters'. We're not sure what Term 3 will bring, but we we'll sail forth-thanks crew!

## Just wanted to say..

*Congratulations to the year 2s who organised and successfully played their own game of Round the World Rock, Paper, Scissors*

*Dae and her friends for making a clay sculpture and so proudly presenting it to me- it's in the trophy cabinet!*

*The Junior students for playing on backtrack with the spirit of 'Getting Along'.*

Take Care, Brett Smith

*You can't change the wind, but you can adjust the sail.*
