## PRINCIPAL'S MESSAGE

### Welcomes

We welcome back Kate Eldred to Inverloch PS. Kate will be teaching in 3/4P with Mrs Rendén.

We also welcome

- Jenna Samson and Kate Teesdale in Education Support.
- all our new students at Kongwak and Inverloch Primary Schools.

A special welcome back to the hens at Kongwak, ready to lay eggs to support the students' business enterprise.

### Local Hero

Congratulations to Elsie in Prep M who became a young local hero. Elsie's mum, was having a medical episode and Elsie knew something was wrong. Elsie ran outside seeking help from an adult to ring 000. Her quick and mature actions led to an ambulance arriving quickly to look after her mum. Congratulations Elsie.

### Foyer

We have reconfigured the foyer so parents and carers can readily access the Reception window and lost property.

### Lost Property

All named clothing is hung up on the lost property stands ready for collection. Un named items go in the lost property box which is then cleared out when full and items donated to local charities. Lost property has been moved down near the yellow doors for easier and permitted access by parents/carers.

### Dismissal Times

We continue with staggered dismissals to minimise clustering. This includes siblings so families can move off as one. Please wait on the oval side of Bayview to minimise clustering.

We will also be stepping back from school crossing support to allow the students to be more independent, use their school crossing learnings and focus on the school crossing supervisor's directions rather than us.

### Illnesses

It is a government requirement and a collective responsibility, that children are 100% well to attend school and most importantly not to have the following signs:

- ◇ Sore throat
- ◇ Runny nose
- ◇ Fever
- ◇ Persistent cough

If a student is showing any of these signs they will be sent to the office to be picked up by a parent or carer. Please have your child's emergency contacts up to date.

We are not doctors so we can't diagnose illnesses. However our role and responsibility to our staff, students and community at this unsure and anxious time, is to reduce the spread of illness based on our observation of signs and send ill students home.

*Please treat the office staff with respect and understanding.*

## **Preps' 100 days of School**

On Friday 24th July the Preps will be celebrating 100 days of school. Children have been asked to dress up as what they might look like when they are 100 years old. The Preps will engage in number 100 themed activities on that day at school.

Dear Parents/Guardians,

This year our school is participating in Jump Rope for Heart – a fantastic physical activity and fundraising program by the Heart Foundation that has been running for over 36 years.

Since Jump Rope for Heart started in 1983, schools like ours have raised more than \$104 million for the Heart Foundation's lifesaving work.

Jump Rope for Heart is a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

To make fundraising fun and easy, you can create your own secure webpage at [jumprope.org.au](http://jumprope.org.au)

Sign up to share your child's progress and let the funds roll in. Your child can earn virtual badges along the way and your page will highlight the prizes up for grabs.

Sign up here today: [www.jumprope.org.au/parents](http://www.jumprope.org.au/parents)

Thank you for supporting the Jump Rope for Heart program!

Yours sincerely,

**Lewis Rankin**
