

COMPLAINTS POLICY

Purpose

The purpose of this policy is to:

- provide an outline of the complaints process at Inverloch-Kongwak Primary Schools so that parents and members of the community are informed of how they can raise complaints or concerns about issues arising at our school
- ensure that all complaints regarding Inverloch-Kongwak Primary Schools are managed in a timely, effective, fair and respectful manner.

Scope

This policy relates to complaints brought by parents, carers, students or members of our school community and applies to all matters relating to our school. In some limited instances, we may need to refer the complainant to another Department of Education and Training process where there are different mechanisms in place to review certain decisions, for example, expulsion appeals.

Practice

Inverloch-Kongwak Primary Schools endeavours to provide a positive and supportive environment for all members of the school community. The schools also supports inclusivity, differences and acceptance of differing opinions and perceptions. The school also believes that all concerned parties should be open to understanding and consideration.

Inverloch-Kongwak Primary Schools welcome feedback, both positive and negative, and is committed to continuous improvement. We value open communication with our families and are committed to understanding complaints and addressing them appropriately. We recognise that the complaints process provides an important opportunity for reflection and learning.

We value and encourage open and positive relationships with our school community. We understand that it is in the best interests of students for there to be a trusting relationship between families and our school.

When addressing a complaint, it is expected that all parties will:

- be considerate of each other's views and respect each other's role
- be focused on resolution of the complaint, with the interests of the student involved at the centre
- act in good faith and cooperation
- behave with respect and courtesy
- respect the privacy and confidentiality of those involved, as appropriate
- operate within and seek reasonable resolutions that comply with any applicable legislation and Department policy.
- recognise that schools and the Department may be subject to legal constraints on their ability to act or disclose information in some circumstances.

Inverloch-Kongwak Primary Schools encourage parents, carers or members of the community who may wish to submit a complaint to:

Complaints process

Inverloch-Kongwak Primary Schools is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed to the appropriate person. Where possible, school staff will work with you to ensure that your concerns are appropriately addressed.

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Principal or Assistant Principal, noting that formal complaints should be directed to a member of the school's Principal team.

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

1. **Complaint received:** Please either email, telephone or arrange a meeting through the front office with the Assistant Principal or Principal, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.
2. **Information gathering:** Depending on the issues raised in the complaint, the Principal, Assistant Principal or nominee may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.
3. **Response:** Where possible, a resolution meeting will be arranged with the Assistant Principal/Principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the Principal may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.

We believe face-to-face resolution meetings provide the best opportunity to repair relationships between complainants and the school. Preparing a written summary of a complaint together with the complainant can be a useful strategy for ensuring that all parties understand the issues in dispute, and reach an agreement about the most important issues that need to be addressed further.

Emails, texting and social media will not be used to resolve concerns raised nor a means to demand action. Understanding must be sought before resolutions are made.

4. **Timelines:** Inverloch-Kongwak Primary Schools will acknowledge receipt of your complaint as soon as possible (usually within 48 hours) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, Inverloch-Kongwak Primary Schools may need some time to gather enough information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, Inverloch-Kongwak Primary Schools will consult with you and discuss any interim solutions to the dispute that can be put in place.

Resolution

Where appropriate, Inverloch-Kongwak Primary Schools may seek to resolve a complaint by:

- an apology or expression of regret
- a change of decision

- a change of policy, procedure or practice
- offering the opportunity for student counselling or other support
- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, Inverloch-Kongwak Primary Schools may also ask you to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

Escalation

If a parent or community member is not satisfied that their complaint has been resolved by the school, or if their complaint is about the Principal, then the complaint should be referred to the South Eastern Victorian Region by contacting 8 765 5600.

Inverloch-Kongwak Primary Schools may also refer a complaint to South Eastern Victorian Region if we believe that we have done all we can to address the complaint.
