**Our Vision: All students to achieve their full potential and to develop into confident, well-rounded citizens.**

Supervision Times: Before 8:30-The Foyer 8:30 Morning Yard Duty 3:30-3:45pm Afternoon Yard Duty

## PRINCIPAL'S MESSAGE

I don't think I have ever met anyone who loves NAPLAN-why would you? However in life there are some things you just have to do and that's what our Year 3 and 5 students did this week. Despite the news reports of anxious students, our students approached the task with the 'show the best you can do' attitude the teachers had developed with them and just got on with it.

While the Year 3s were completing NAPLAN, the Year 4s were learning how to use googledrive as part of our intention to move their learning off a local server to cloud based server for greater access and collaboration. After researching their planet of choice, the students prepared their slideshows then 'shared' their slideshow for others to add or give feedback directly to their work.

This week it was great to see our teaching staff applying the professional learning provided by Mr McCartney and Mrs McRae. From pattern making to determining a pattern rule (algebra), students have been engaging in hands on and inquiry based maths.

## Education Support Personnel

This week we celebrate and acknowledge our Education Support Personnel for all their work in supporting students and teachers in so many ways. From the office staff to the learning support staff, their work is invaluable and add so much to the learning environment.

## Open Days

During Education Week, we will open the classroom doors and invite parents, carers, grandparents or friend. The aim of the days will be to show how our students learn. Classes and timetables will remain the same

Tuesday 25/5 Inverloch PS 9:00am-10:40am

Wednesday 26/5 Inverloch PS 9:00am-10:40am

Kongwak PS 9:30-10:40am

14th May, 2021 Edition 14

## Cross Country

The House Cross Country will be held this Thursday 20th May. We look forward to this being a great event and the weather looks promising.

We have introduced and request the following.

- ✓ Mr van Rooy will be the overseeing of the event and operations at the Glades. If there are any issues see Mr van Rooy
- ✓ The stone pavilion will be used for First Aid with a dedicated First Aid officer wearing a green First Aid vest Please keep this area clear.
- ✓ All medical issues to be reported to the First Aid Officer
- ✓ All staff will be wearing hi vis vest for easier identification by parents and carers.
- ✓ More spectator orientated for the students to cheer their team mates on
- ✓ Students should bring a picnic rug, plastic bag or similar if the ground is wet.
- ✓ Students with asthma take their preventer if they have or use one
- ✓ Students bring clothes appropriate for the event and the weather.

## Dental Van Visit from 17<sup>th</sup> May

The Van will visit Kongwak on the 17<sup>th</sup> May and then Inverloch for the rest of the week.

Students will be collected in groups of 2-3 by Dental staff. Prpp-2 will be escorted back to class.

Grade 3 and above will be sent back to their class in pairs.

Parents will be called or a text sent during dental treatments to notify of the appointment and discuss further treatment if required. Students will also take home an oral health report.

Parents may return a signed treatment plan back to school. The treatment plan can be handed to the class teacher who will send to the office and they will be passed onto the dental team.

## ART NEWS

Our Artist of the Week is Amalia Lofgren in Grade 5 with her earthenware pinch pot with snail. Amalia has created a decorative space for her snail, paying attention to colour and pattern.

# COMMUNITY NEWS

The following Community News articles promote community connections and communications. They are not considered school activities
