PRINCIPAL'S MESSAGE

Thanks to everyone who was understanding with the wild weather and the loss of power which impacted on schooling last week.

In all my career I have never been involved with a school closure except for the early dismissal due to snow-remember the snow day back in August 2005 when it snowed on Inverloch beach?

'WE ARE ALL SCIENTISTS.'

Our next Multiage Day is Wednesday 23rd June with the theme being 'WE ARE ALL SCIENTISTS' and it is a dress up day.

Come dressed as:

- A scientist,
- a famous scientist -wear a name badge
- An occupation that uses science
- A piece of scientific equipment

Hints:

- Pinterest
- Google
- Use toys to transform students into scientists (a toy bird ->an ornithologist, toy dinosaurs-> palaeontologist, toy dolphin->marine biologist...The options are endless!)

PFA FUN-raising Trivia Night

The PFA are organizing a fun community night on July 30th with the theme being *Christmas in July*. The school community is invited to have some fun by booking a group table or joining other parents/carers to make a table team. This will be a great way for new parents to meet others and for existing parents/carers to reconnect .

Booking details will be distributed shortly and until then pop the date in the calendar.

ILLNESSES

Please only send students who are 100% well to school.

The current illnesses spreading around are causing high student and staff absences which impacts on learning consistency. If sick, staff are away for a minimum of two days causing disruption to their class program and their students' learning.
