ASSISTANT PRINCIPAL MESSAGE

THIS WEEK AT OUR SCHOOL:

Week Two at Inverloch Primary School has begun our VERY busy term with some fantastic excursions. On Wednesday, the Preps headed out to see our Kongwak friends for a day of fun. The Grade Ones braved the awful weather, ate breakfast together, and were great sports when we had to postpone their adventures in town. Today, the Three/Four students have headed to Melbourne to visit the Lume, amongst other terrific adventures today. Sometimes, the bus ride is the most exciting part of excursions for our students!

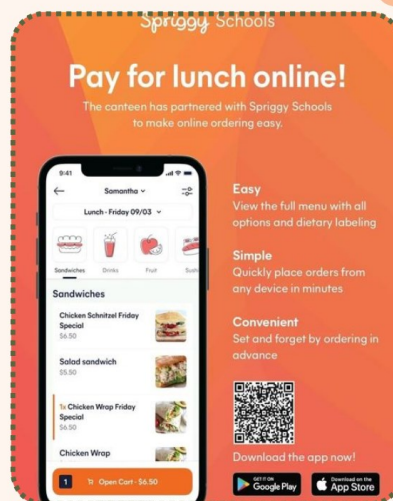

The Art Room has been busy creating Public Artwork Murals for the Wallace Avenue Dinosaur Park in Inverloch. How fantastic is the artwork that the students have created?

Have you tried our new lunch orders yet? Inverloch Primary have teamed up with The Beach Box Cafe to provide whole-day food options for school. The students have a choice of options and have their whole lunchbox delivered to them by 10:30 for less than \$10. Ordering through the Spriggy App makes it so easy; no more trying to find the right amount of change and have the day off from the lunch box grind.

Kind Regards,

MEL MCRAE

PREP ENROLMENT

LOCAL/WALKING EXCURSIONS

Students can only participate in local excursions (e.g. walking to Glades, shops etc) if the Local Excursion consent has been given. This was done earlier this year as an event. Non consents families have been re-emailed.

"We at Inverloch and Kongwak Primary Schools, acknowledge that we live and learn on the traditional lands of the Boonwurrung and Bunurong people. We pay respect to the Elders past and present, and emerging."

Grade One Big Day In

On Thursday the Year One students had their Breakfast and Big Day Out (which became the Big Day In because of the weather!). Instead of doing activities around Inverloch, we did activities at school, including a movie, a disco, games in the gym and a special Investigations session. We have all had a fantastic day!

Be Respectful, Be Safe, Be an Active Learner.

SWPBS PRIZES

This week has been a big week of celebrating at IKPS! At the end of last term, all children who earned a raffle ticket in Term Three had their tickets put back in for a second chance draw. Six tickets were pulled out, and these children chose a prize. Our end of term prizes are for the winner to share with their whole class or friends. This is to acknowledge that our positive choices are influenced by others around us, and impact on those around us.

On Wednesday, Jayden (4M) and Annie (1B) chose a hot chip lunch for their class. This is 4M enjoying their hot chips!

Zach (5S) had a movie afternoon with his class on Thursday. This is Zach with a box of popcorn for his class to enjoy.

On Friday, Mali (1R) will be assistant principal for the afternoon with a friend!

Next week, Kiara (2W) and Josie (3B) will have a picnic in the park with some friends. It was supposed to happen this Thursday, but we had to reschedule for next week due to the horrible weather.

We also had our usual weekly prize winners. Here is a picture of Lucy and Madi from 2J enjoying their lunch on the teacher's tables!

Thank you to all these children for their respectful, safe and learning behaviour. These prizes are a little way for our school community to say thank you.

SWPBS- What Happens When We Make Mistakes?

This week in our SWPBS lesson, we learnt about what happens when we make mistakes in our behaviour. At IKPS, we use a restorative approach to resolving problems and repairing harm. If someone makes a mistake, we expect them to think about what happened, who was affected, how we can make it right, and what we can do to prevent it from happening again. Mistakes are an opportunity for learning!

If there is a problem in the classroom or in the yard, children will be asked to fill in a think sheet to help us (and the child) to understand what has happened and why. This week, every class has practised filling in think sheets using a character from a book. Across the school, every class has been allocated a grade to be their 'support room'. The support room is a place for children to reflect and talk through their think sheet before returning back to their classroom.

ARTIST OF THE WEEK

Our artist of the week is Sophie Chandler in grade 4 with her leaf composition using paint and markers on canvas board. Sophie has created a decorative piece using space, pattern and colour.

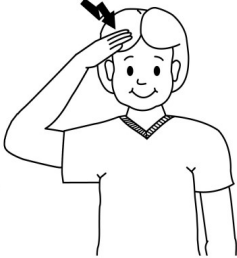

Congratulations Spohie!!!
