SUSTAINABLE KONGWAK

Last Friday our students participated in the annual Aussie Bird Count after learning to identify birds for the previous couple of weeks. We undertook the count at Pioneer Reserve counting 85 birds (18 different species). The kids did an awesome job with the juniors finishing the day with making birds of prey masks.

We had so many raffle tickets this week for students following the school values of Be Safe, Be Respectful and Be an Active Learner that we decided to draw three prize winners this week! Congratulations to Lincon, John and Poppy, this week's winners!
